13th ANNUAL GREATER TULSA ORPHAN (CORVAIR) AUTO SHOW

The 13th Annual Greater Tulsa Orphan Auto show was held in windy and blustery weather, Saturday, May 5 at the new location on 71st street and 92 East Avenue. It turned out to be an almost all-Corvair show with only one Orphan showing owned by a non-club member. But it was a dandy: a 1964 Studebaker Hawk owned by Lee Blair. It is pictured here. In addition to his car, member Steve Rayl brought his Hot Rod and Marvin Luke showed his 59 Impala Convertible and 39 Chevrolet coupe. Felix brought the Pray-36 Auburn Speedster. Members displaying cars included Bob Kinser, Jim Brewer, Roger Scott, Forrest Andrews, J.C. Ash, Bob Mooney, Glen Bevel, Felix DeGeyter, Richard Hawk, Van Upky, Gary Baxter, and Marvin Luke. Also showing Corvairs were former member Lloyd Verrett and his neighbor, Gary Upton. In all, 18 cars were on display. The turn-out was light compared to previous years. The weather was definitely a factor but also there were many other shows in the Tulsa area that day. The Antique Auto Club which normally supports this show was off on a cruise in Louisiana. Several members discussed the possibility of moving the show to the first Saturday in June to avoid some of these conflicts. We will be discussing this option at a future meeting.

MINUTES: May 4, 2007. GCCG held its regular monthly meeting May 4 at the Full Cup Restaurant. In attendance were Glen and Larue Bevel, Jim Bishop, Bob and Pat Kinser, Van Upky, Jim Brewer, Wayne Grieve, Forrest Andrews, Roger Scott, John and Mary Zink, Taylor and Joellen Brown and Richard Hawk. The members discussed the 13th Annual Greater Tulsa Orphan Auto Show which we sponsor to be held May 5 at 9121 East 71st

Street. All members were urged to bring their cars and to bring a door prize. The members were reminded about the Plymouth Belvedere “unearthing” to be held June 15 and the companion auto show on June 16-17. GCCG will participate in the show. It will be held at 7th and Houston Streets in Downtown across from the Convention Center. Roger announced the date for the Fall All-Corvair Show which is October 20. The location will probably be the same, 41st and South Yale, although other possibilities are being explored. There will be more about this later. Taylor Brown announced he sold his Lakewood to Gary Baxter but that he and Joellen were going to remain members of the Club. Marvin displayed the website and the new calendar. He will post club and related events on this calendar and members are urged to consult the calendar for periodic information. After the meeting the officers and directors held a brief meeting.
